

# Accent™ REAR PROJECTION SCREEN

Because brightness is the prominent feature in the Accent™ Screen line, it is your first choice for light restricted venues.

With greater viewing angles, no films or layers and the ability to be cut, curved, shaped or formed, Accent™ adds unlimited possibilities for creativity.

### GENERAL APPLICATIONS:

- |             |                         |
