

Transparent LCD

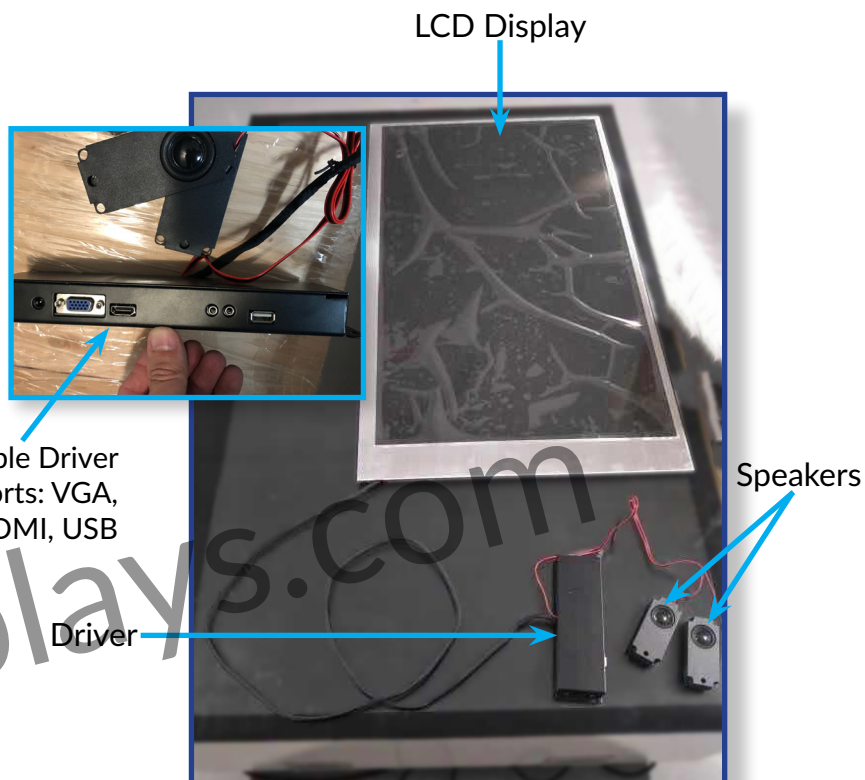

Model #:

Screen Solutions offers both Standard and Custom Transparent Panels for your application. Custom transparent panels can be made to your specifications, please contact a display specialist to discuss your requirements.

All standard Transparent LCD Panels are equipped with:

- Aluminum Frame
- Motherboard/Driver with HDMI+VGA+USB inputs: you can connect your own computer by VGA/ HDMI cable, and you can insert your USB drive into USB port to display. Connect Panel with supplied LVDS cable
- Speakers
- Power Supply 12v, 5A

- Includes remote control for input selection and volume control

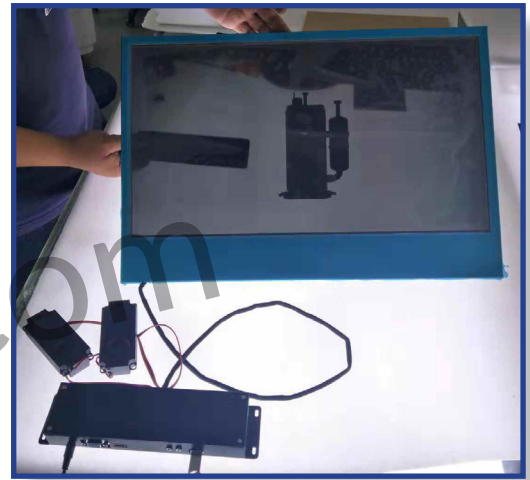

PLEASE NOTE:

All Transparent LCD's must be supported with a backlight, the backlight will be required for the transparent functionality. The more backlight provided the more transparent the display will be.

Transparent LCD Accessories
