

OUTDOOR KIOSK

Digital signage without fear of weather or environmental concerns! Outdoor Kiosks are built to accommodate the weather in every continent on the planet. Screen Solutions Outdoor Kiosk products can be shipped as an interactive touch-screen or as a stand-alone digital signage solution. Either product can be installed in most locations without concern of environmental conditions.

Our Outdoor Kiosks are individually manufactured to customer specifications. Our kiosks combine the latest and most effective digital signage and multitouch hardware in sleek, attractive designs that can be incorporated beautifully into almost any environment or setting.

Outdoor Kiosk Features

- Easy to integrate.
